

NJ School Performance Reports

Click-by-Click Navigation Guide for NJ School Performance Reports

INTRODUCTION

The New Jersey Department of Education (NJDOE) presents the 2015-16 School Performance Reports. These reports are designed to inform parents, educators and communities about how well a school is performing and preparing its students for college and careers.

ACCESSING THE REPORTS

To access the School Performance Reports, follow these steps:

1. Select "Search for a School" from the navigation box located on the left of the Performance Report Home page to access the Search For School page.

The screenshot shows the website's navigation bar with links for Home, Educators, Families, Programs, Data, and News Room. Below the navigation bar is a sidebar menu with the following items: Performance Reports Home, Search for a School (highlighted with a yellow circle), Suppression Rules, Reference Guide, Interpretive eLearning Video, and 2015-2016 Reports Database. The main content area is titled "2015-2016 School Performance Reports" and contains a paragraph of introductory text and three bullet points:

- **Focus** attention on metrics that are indicative of college and career readiness.
- **Benchmark** a school's performance against other schools that are educating similar students, against district and state-wide outcomes, and against state targets to illuminate and build upon a school's strengths and identify areas for improvement.
- **Improve** educational outcomes for students by providing both longitudinal and growth data so that progress can be measured as part of an individual school's efforts to engage in continuous improvement.

2. From the Search for School page, select the School Year you wish to view under "Get Started".

NAVIGATING THE REPORTS

The navigational tools are located at the top of each page of the Performance Reports and include a navigation pane, page filters, a key word search box and an option to export the report to a PDF document.

Use the **navigation pane** to view a specific section of the report. Once selected, the section will turn from blue to gray. *Please note that sections available within the report will vary depending on school type.

Once a section is selected, use the **page filters** to navigate through the pages pertaining to that specific section. Please note that some sections will include more than one page.

The **keyword search function**, will navigate to the pages of the report that contain the keyword/s entered.

To **export the entire School Performance Report to a PDF file and print**, select the File icon to display the PDF dropdown and then select PDF.
